W SUMMER'S MOST WANTED

1. RICHARD MILLE WATCH

\$150,000, richardmille.com
 "Although I don't plan to be navigating the high seas this summer, I still find Richard Mille's first nautical watch, the RM 60-01 Regatta Flyback Chronograph—complete with a host of technical capabilities, including a compass—extremely cool-looking."
Biel Parklee
 Photo/Art Assistant

2. LYKKE LI, I NEVER LEARN

\$16, amazon.com
 "Every couple of years, Lykke Li releases a new album, and it makes me wonder all over again how it's possible that the Swedish pop singer is not way more famous. Her latest has the ideal combination of heartbreak and infectious danceability that we've come to take for granted."
Fan Zhong
 Associate Editor

3. BILLY COTTON TABLE

\$38,800, ferrero.com
 "Billy Cotton has created bohemian-luxe interiors for Cindy Sherman and Mirabelle Marden, but when it comes to furniture design, he's all about clean, modern lines. His Elements table—made from marble, forged bronze, and mirror-finished stainless steel—seems to almost disappear in a room."
Karin Nelson
 Features Editor

4. PROENZA SCHOULER JACKET, TOP, AND SKIRT

Jacket, \$2,490; top, \$1,360; skirt, \$1,350, [Proenza Schouler](http://ProenzaSchouler.com), New York, 212.585.3200
 "Even though I tend to shy away from bold patterns, come fall, I am definitely going to give this gutsy mixed-print look a try."
Sam Milner
 Senior Market Editor and Manager

5. LUKE STEPHENSON, AN INCOMPLETE DICTIONARY OF SHOW BIRDS

\$30, incompletdictionary.com
 "With all due respect to designers like Yves Saint Laurent, when it comes to having an eye for color, there is just no competing with Mother Nature, as this lovely book of portraits makes clear."
Alix Browne
 Features Director

6. DELFINA DELETTREZ EARRING

\$685, matchesfashion.com
 "After seeing all the models sporting a single earring on the runways at Céline, Louis Vuitton, and Isabel Marant, I'm dying to join the club. My pick is Delfina Delettrez's Gold Vein earring, with its pearl base and multihued stones that appear to hover in space."
Nora Milch
 Accessories Editor

7. BELLAVANCE SKIRT

\$695, [Opening Ceremony](http://OpeningCeremony.com), New York, 212.219.2688
 "The young designers Ava Hama and Nolan Bellavance immediately caught my eye with their raw-into-denim skirt with smart details."
Lindsay Frugier
 Fashion Market Editor

8. PRADA SHOES

Price upon request, prada.com
 "These kicks give me a sporty techno-nerd-Frankenstein kind of vibe—in other words, amazing!"
Armand Limmander
 Deputy Editor

9. PERRIN PARIS CLUTCH

\$295, perrinparis.com
 "I love the way the built-in glove lets me effortlessly maintain my grip on this minimal Capitale bag. It's both utilitarian and cool."
Diane Solway
 Arts and Culture Director

10. CLARISONIC SMART PROFILE

\$255, clarisonic.com
 "Urban air is polluted with tiny particles that don't come off with the usual hands-and-cleanser routine. Clarisonic's latest gizmo gives that micro-dirt the brush-off, plus, it has a turbo speed setting that I plan to use after long summer hikes."
Katie Becker
 Beauty Editor
